

SWIMMING REVIEW 2019-20

End of KS2 swimming achievements for the 2019-2020 year 6 cohort:

NUMBER of PUPILS in the cohort: 61

<u>Objective</u>		<u>Pupils Achieving</u>	<u>% Achieving</u>
To swim at least 25m unaided in 1 stroke discipline		40 out of 61 year 6 pupils who attended regular swimming lessons, achieved a distance of 25m, unaided in at least 1 stroke discipline	65.6%
To use a range of strokes effectively	Front crawl	39 out of 61 year 6 pupils who attended regular swimming lessons, achieved a distance of 25m using front crawl	64.0%
	Backstroke	33 out of 61 year 6 pupils who attended regular swimming lessons, achieved a distance of 25m using backstroke	54.1%
	Breaststroke	28 out of 61 year 6 pupils who attended regular swimming lessons, achieved a distance of 25m using breaststroke	46.0%
To be able to perform safe self-rescue in different situations		29 out of 61 year 6 pupils who attended regular swimming lessons, achieved self-rescue techniques	47.5%
To provide additional provision of swimming		This is something that was in place for 2019-20 but due to Covid-19, was unable to take place.	

As a result of swimming lessons at St Laurence Junior Academy (taught by qualified and specialist teachers) year 4 and year 6 pupils are given the opportunity to learn and develop their water confidence and ability to swim unaided. This is achieved through the teaching of 3 specific strokes (front crawl, backstroke and breaststroke), allowing pupils to develop their stamina in water based situations.

Less confident pupils are able to develop their water confidence through a range of aided activities, in order to allow them to attain the fundamental skills to develop their unaided swimming. In addition to stroke development, pupils are also taught basic safe rescue skills which are transferable to real life contexts.
