

## SWIMMING REVIEW 2018-19

End of KS2 swimming achievements for the 2018-2019 year 6 cohort:

NUMBER of PUPILS in the cohort: 63

<u>Objective</u>		<u>Pupils Achieving</u>	<u>% Achieving</u>
<b>To swim at least 25m unaided in 1 stroke discipline</b>		39 out of 63 year 6 pupils who attended regular swimming lessons, achieved a distance of 25m, unaided in at least 1 stroke discipline	61.90%
<b>To use a range of strokes effectively</b>	<b>Front crawl</b>	35 out of 63 year 6 pupils who attended regular swimming lessons, achieved a distance of 25m using front crawl	55.55%
	<b>Backstroke</b>	38 out of 63 year 6 pupils who attended regular swimming lessons, achieved a distance of 25m using backstroke	60.31%
	<b>Breaststroke</b>	28 out of 63 year 6 pupils who attended regular swimming lessons, achieved a distance of 25m using breaststroke	44.44%
<b>To be able to perform safe self-rescue in different situations</b>		39 out of 63 year 6 pupils who attended regular swimming lessons, achieved a distance of 25m using breaststroke	61.90%
<b>To provide additional provision of swimming</b>		This area is under consideration and will be reviewed throughout the academic year of 2019-20	

As a result of swimming lessons at St Laurence Junior Academy (taught by qualified and specialist teachers) all pupils are given the opportunity to learn and develop their water confidence and ability to swim unaided. This is achieved through the teaching of 3 specific strokes (front crawl, backstroke and breaststroke), allowing pupils to develop their stamina in water based situations.

Less confident pupils are able to develop their water confidence through a range of aided activities, in order to allow them to attain the fundamental skills to develop their unaided swimming. In addition to stroke development, pupils are also taught basic safe rescue skills which are transferable to real life contexts.
